

## Reloop Mixon 8 Pro - DJ kontroler

Šifra: 16958

Kategorija proizvoda: DJ kontroleri

Proizvođač: Reloop

Cena: **1.099,00** EUR

### Features

- Brand new jogwheel design with high profile edge and elegant metal surface (149mm)
- 2 integrated jogwheel displays for realtime track information and virtual stylus position
- Industry's first controller with 4 individual FX toggle switches
- Dedicated sound colour filter (LPF/HPF) on every channel
- Stand-alone mixer to simultaneously mix digital and analogue input sources via media players and turntables (2 x Phono-In/4 x Line-In)
- Dual microphone inputs with talkover function for routing into the mixer channels for EQ control
- Independent signal meters for inputs and outputs
- Dual USB audio interface for changing seamlessly between two laptops or an iPad (1 x USB-B, 1x USB-C / USB-B switch)
- Multi-platform support for smooth mixing between different devices and platforms such as MacOS, PC, iOS, or iPadOS
- The first controller in the industry to support USB-C devices for the new generation of Apple iPads and iPhones (including Power Delivery support)
- 24-bit audio interface for excellent audio quality with low latency
- 30 x 30 mm large drum pads with multi-coloured backlit LEDs and touch dynamics
- 8 colour-coded performance modes (Hot Cue, Loop Roll, Saved Loop, Sampler, Pitch Play<sup>3</sup>, Saved Flip<sup>4</sup>, Slicer, Scratch Bank, Looper, Neural Mix™, Touch FX)<sup>5</sup>
- Silent cue for muting the respective deck while the song continues to play in the background (can be reactivated via hot-cue keys at the selected cue point)
- Plug 'n' Play: Immediate DJing after activating Serato DJ Pro and/or Algoriddim djay Pro
- Serato exclusive: New Scratch Bank function for immediate access to scratch samples
- djay Pro exclusive mode: Dedicated Neural Mix FX™ section for isolating vocals, drums or instruments in realtime

DVS support: Connecting turntables and controlling digital vinyl<sup>6</sup>

Stream and mix millions of tracks immediately with Apple Music<sup>2</sup>, Tidal, SoundCloud, Beatport and Beatsource streaming services<sup>1</sup>

Ultra-Glide Cross- and Linefader for smooth transitions and fast scratches

New extended LOOP section with length LED bar and shift-layer control

Slip mode for creative live remixes

High resolution 100 mm pitch fader for precise speed settings

Time mode buttons to switch between elapsed and remaining time

Integrated docking station with space for up to an iPad Pro (12.9")

Completely new metal transport buttons for responsive control

New designed buttons and reworked layout for improved haptic and ergonomic workflow

Premiere Line: First-class build quality with robust metal panels in a stylish finish

Incl. USB cable and external power supply with grounding

<sup>1</sup> An internet connection and a separate Apple Music, Tidal, Beatport, Beatsource or SoundCloud subscription is required to use this service. Visit [www.algoriddim.com](http://www.algoriddim.com) for more information.

<sup>2</sup> Exclusive in djay Pro

<sup>3</sup> Requires Serato DJ Pitch 'n' Time expansion pack

<sup>4</sup> Requires Serato Flip expansion pack

<sup>5</sup> Some performance modes are exclusive to either Serato DJ Pro or Algoriddim djay Pro

<sup>6</sup> Separate Expansion Pack required
