Mackie SRT215 (komad)- aktivni zvučnik

Šifra: 18942
Kategorija proizvoda: Aktivni zvučnici
Proizvođač: MACKIE

Cena: 685,00 EUR

Mackie SRT215 (komad) aktivni zvučnik

Product: SRT215
Power: 1600W
LF Driver: 15"
HF Driver: 1.4"
Inputs: Dual XLR/TRS
Aux Inputs: Stereo 1/8"
Outputs: XLR Direct Out per channel + Mix Out
Frequency Response: 42Hz - 20kHz
Max SPL: 133 dB
App Control: Yes

A True Workhorse for Gigging Professionals

1600W Class-D amplifier is designed for ultra-reliable, consistent performance
Custom high-efficiency transducers ensure maximum clarity and accuracy
Built-Like-A-Tank™ to conquer every gig while lightweight for easy loading
Frequency response: 42Hz - 20kHz
Max SPL: 133 dB
Advanced Impulse™ DSP - Proprietary Acoustic Tuning

Crystal clear sound across the entire dispersion zone means the whole room is the sweet spot

Precision crossover and transducer time-alignment ensures balanced and accurate sound
Custom Sym-X™ Horn

Allows for total efficiency from the HF transducer minimizing distortion and increasing output

Creates a perfectly symmetrical, flat response at the crossover point for exceptionally smooth midrange
The horn-loading frequency is set below the HF drivers' LF capability allowing for maximum efficiency and optimal performance at the crossover point
Coverage: 90° horizontal x 60° vertical
Transparent System Limiting and Protection

Dedicated processing module monitors and protects the amplifier in real time

Sound quality and tonal balance is maintained even under heavy limiting
Utilizing powerful multi-band compression, the amplifier can target specific frequency ranges to prevent the system from being overloaded rather than turn everything down at the expense of overall output
Input limiting keeps your source signal in check so if you're sending audio that's a bit too hot, the speaker will cool it down
Universal Power Supply (100-240VAC) with Power Factor Correction for stable operation even with unstable AC power
SRT Mix Control™ Built-in 4-Channel Digital Mixer with Bluetooth®

Dual independent channels that support mic, line, and instrument signals

- Dedicated 1/8" stereo aux channel
- Stream music from any Bluetooth® enabled device
- High-contrast full color display for easy single-knob access to mixer and processing
- Adjust channel levels and EQ
- Application and venue specific voicing modes
- Alignment delay - up to 100 feet
- Save and recall up to 10 user presets
- Screensaver plus dimmer and contrast control
- System lock with 4-digit passcode
- Front LED on, off and signal present modes
- Complete Wireless Control via the SRT Connect™ App

The SRT Connect™ app gives you access to all adjustments and settings including EQ, levels, and presets

Wirelessly link SRT speakers together for music streaming applications plus complete control over both speakers

The latest Bluetooth technology allows up to 100 meters of range between linked speakers

- Stereo or dual zone linking modes allows discrete control over the inputs and outputs of the entire system across two rooms or zones
- Creates an incredibly clean setup in minutes
- Versatile configuration options

Dual-angled cabinet design allows for use as a high-performance floor monitor

- Dual angle pole-mount provides optimal coverage and minimal reflections in most venues; 7-degree downward tilt is perfect for when the speakers are on elevated stages
- M10 flypoints for professional installation
- Weight: 37.1 lb / 16.8 kg
- Dimensions: 28.8 x 17.6 x 15.4 in / 732 x 447 x 391 mm
